New Kids on the Block

Donna **FERRIS** Sutton . Wilmington . NC
MamaBear510@aol.com

Donna's arrival to the GHS 1962 eReunion comes after an eMail from Kelley Kaufman, peaked Donna's interest. Kelley has been very successful in finding many of our Classmates. The staff of WW-N-W wishes to express their gratitude to Kelley for all that she has done.

Michael **PELUSO** . Cos Cob . CT

It's amazing who you find at Costco. I stopped earlier this evening to buy sweets as a bribe to get the kids in school to do well on the upcoming SAT's. Anyw ay, as I was stashing M&M's in my basket, along came Mike Peluso, one of our renowned baseball players back in 1962. Welcome aboard Mike!

Ginny **THEIS** . Stamford . CT

Update on Laurie

Laurie **MONTEMAR** Benard . Pleasant Prairie . WI
benardl@finchcms.edu

I am currently living in Pleasant Prairie, WI. I'm married, have two kids, five grandchildren and a great husband Ray. I'm still working (hopefully for a while) at the Rosalind Franklin University of Medicine and Science in North Chicago, Illinois. This was formerly Finch University of Health Sciences/The Chicago Medical School.

Editor's Note:
And just in case you don't know where Pleasant Prairie, WI is located relative to Chicago... Google up a Mapquest.

I have to admit that my geography knowledge has been somewhat less than stimulated since GHS, but I was not aware that Chi-town was that close to Wisconsin. Or to be exact, I did not really know where Wisconsin was.

The Writes of Spring

It was only a few short weeks ago that we started the Spring Season with a kick-off breakfast meeting at the City Limits Diner in Stamford and the day was "beautiful"... perfect weather and Bill Christiansen was able to drive all the way without having to go through the fiasco at Bridgeport on I-95.

The Writes of Spring was also an opportunity for a few of us to meet in a mini-reunion with Kelley Kaufman and Ted Godlin up from Boca Raton for a few days and passing through Greenwich. The photo at the right side of this page will "scare" many of you, as I am doing my "Lurch" Imitation, but that's Kelley to my right and much lower in the photograph.

Below is the "Official Going 60 Into September Planning Commission", standing at the entrance to City Limits... With me in the rear, starting on the left and moving toward the right we have... Marsha Washington Gilmore, Ginny Theis, Kathie Temple Azoff, Bill Christiansen, Kelley Kaufman and George Devol.

See below for the Announcement of the Next Meeting of the Commission:

Going 60 Planning Commission

Sunday

18 April 2004

12:00 pm till we tire of One Another

City Limits Diner

Stamford Exit 6

The next meeting is planned for the date above... Everyone that wishes to participate, may come and be ready for fun. We have been creating small reunions with each meeting and the food is always good. If you can not make it... we will understand. If you know of another member of the class who does not have an

eMail address, but lives in the Greenwich Area, we would appreciate your letting them know. It is one of the tasks of the Committee to put together an announcement for the "Snail Mail" 2/3rds of the Class. Those coming to the Meeting should be aware that we are in need of a "BANK" and the Treasurer Elect is Kathie Temple Azoff, who has already donated the \$25 deposit with the Town of Greenwich. It is expected that we will be attempting to keep the costs of the September Outing to around \$25/head, so consider this to be a deposit against that day.
