North Street School – 1958

Marion **HOPKINS** Engstrom . Tucson . AZ

Now the onus is on each of you to come forward and admit to where you are in this photo submitted by Marion J. Hopkins Engstrom. She has the yearbook as well. So let's hear it from those in the photo, if you can remember back "THAT FAR"... 46 years...

Marion is the fourth from the right in the second row
Clark Sorenson first row third from the left
Penny Haymes Cox third row left of center
Jill McGovern 2nd row 2 from the left
John Mitchell 3rd row 9 from the right
George Devol is there but I can't find him.

Just thought of something, which in these days is quite rare. I have a lot of names of the people in the picture which, only those attending the school may remember. There are some people that went to GHS but didn't complete 1962, such as Jan Fillion, who I know many remember. If those that went to North Street need some help I will try to assist.

The Senior Chorus Project

In response to the Snail Mail announcement and Picnic Invitation, we have a lot of New Kids on the Block. During the two weeks or so that we have had the announcement "out there", we have been swamped with "mail" and the response to the Picnic and the Senior Chorus CD's have been quite favorable. Vince Pantas is processing the first "Run" of CD's and Penny Haymes Cox is putting the final touches on the artwork. Kathie Temple has "shipped" the Shipping Labels. So, everyone that has ordered a Set... we are almost ready to send them on their way. Our Current Estimate is the first week of July.

Who Has Gone Missing

Part of the result of the Snail Mailing was the number of Returns that we have received. Most mailings were returned as "insufficient address", but to date the blips that are no longer on our radar screens are: Kathryn HANSON Enright, Judith Harry Laine, William HERBERT, Linda JOHNSON Jackson, Charlotte NOVAK Greenaway, Kathleen KELLY, Eugene DUENWEG.
