The past two weeks has been very quiet and there is little to report in the newsletter. So look for this one to be very short. Our new kids feature has some new and some old faces, but then again all the photo's are the "old faces", so let's go for another round of requests of "Grist for the WW-N-W Mill"... time for some old faces to show us how much improvement there has been due to the aging process. So we are looking for photos to be used in the "before and after", an example using my oldest entry follows.

## Before and After

How many of you remember this scoreboard. It really is the original at the old High School... The label on the photo said that the photo was taken in 2002, but I really doubt if it is still there. I'll have to go and check it out one day. In fact I will be stopping by on my way to the Dinner at the Diner on Sunday 22 August 2004 (see below).

## Webbster n Button

THAT GANG OF TURTLES  
BEAT UP SAMMY THE  
SNAIL LAST NIGHT.

WHEN THE COPS  
ASKED HIM WHO  
DID IT...

HE SAID, "I DON'T  
KNOW, IT ALL  
HAPPENED SO FAST!"

## Dinner at the Diner

Over the past three to four months we have had a regular get together of several individuals for the "excuse" of organizing the Picnic at the Point. The real pleasure in the gatherings comes from the opportunity to have small reunions and an opportunity to chat, about old times and the meeting of new faces from 42 years ago. We have been lucky to have several visitors from considerable distances, to join our mini-reunions. JoAnn Lovetri Mandarano from Smyrna DE, Gene Davino from Chatham MA, Kelley Kaufman from Boca Raton FL, Bill Christiansen from Old Lyme CT and on one occasion we were pleasantly surprised by Bill Vanneman having flown in from South Yarmouth MA in his own plane. He was met in Bridgeport by Bud Titsworth and they were at the diner ahead of the rest of us. So these events, have become a classic opportunity for getting back in touch for both local and long distant friends.
